Refund Policy for NE-II-193

1. Please plan to have your course fee paid in full by 1 July 2010.
2. You are not fully registered until the fee is fully paid.
3. If you choose to pay a deposit of at least \$100, your position will be held until 1 July 2010. A deposit is still considered provisional until the fee is fully paid.
4. If you withdraw before 1 July 2010, your fee will be fully refunded.
5. If you withdraw after 1 July 2010, your fee, with the exception of the \$100 deposit, will be refunded. Please understand that by this time we will have purchased supplies and equipment for you and these items are generally not returnable or usable for other events.
6. Transatlantic Council financial rules normally require us to process refunds no earlier than September, 2010.
7. If you are in receipt of movement orders (assuming military), in receipt of transfer instructions, or incur a family emergency, the Council Executive and I will work with you to resolve the issue to your and the Council's satisfaction.
8. The maximum number of participants for this course is 48. After this number is reached, I will post additional registrants on the waiting list.
9. The minimum number of participants is 30. In the unlikely event that registration does not reach 30 by 1 July, BSA policy requires us to cancel.

Yours in Scouting,
