

Schedule an Eagle Board of Review

Barbarossa District, Transatlantic Council

Read up.

www.scouting.org/filestore/pdf/33088.pdf

Guide to Advancements, Sections 8 and 9 are all about Boards of Review and Eagle Scouts, respectively.

You have the approval from TAC, what next?

Schedule a board of review.

Email people (you'll need 3-6 total) to sit a board, including a district or council representative. One person will be the chairman of the board, usually the Troop Committee Chair. No Scoutmasters or relatives. More can be found in the *Guide to Advancements*. From experience, there is usually a District Representative, a Distinguished Eagle Scout, a Chartered Organization Representative, and the Committee Chair.

Currently, Barbarossa has a couple reps in the Kaiserslautern area, and a couple in the Wiesbaden/Frankfurt area.

When the board is scheduled, you should have on-hand for the board:

1. TAC Approval Letter
2. Eagle application
3. Statement of Ambition and Life Purpose
4. Letters of recommendation (parents, religious, school, and 2 others)
5. Eagle Project Workbook
6. Advancement Report
7. Scout's Handbook
8. Scout's Advancement Record (Good idea!)
9. Merit badge cards, blue cards, rank cards, etc. (Good idea)

Hold the board.

Make sure handbook, application and advancement reports are signed correctly. Hold and destroy the letters of recommendation (unless scout is NOT advanced to Eagle based on content of one or more letters)

- ✓ Application (The Board of Review chair and district representative both need to sign)
- ✓ Advancement Report (One Eagle Scout per report; three people must sign)

Schedule an Eagle Board of Review

Barbarossa District, Transatlantic Council

Scan and send.

Scan and send TAC advancements a copy of:

- ✓ Advancement report
- ✓ Eagle Application (Both sides)
- ✓ Letter of Ambition
- ✓ TAC supplemental forms (Where to send credentials, etc.)

Mail originals to TAC office:

*Transatlantic Council, Boy Scouts of America
USAG – Brussels
Unit 28100, Box 24*
APO, AE 09714*

Keep a copy; also, I recommend sending it certified (this insures delivery, and you won't be tracking down people to resign documents if the originals are lost in the mail).

Done!
