

Service to the Armed Forces

Health & Safety Courses

American Red Cross

First Aid/CPR/AED (\$55 per person for full-course)

Learn basic life-support emergency care, to include cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), and basic first aid care for heat/cold-related emergencies, allergic reactions, lacerations, etc.

First Aid/CPR/AED Recertification Anyone with a current /valid card may renew their certification by passing a skills assessment and a written test. Save yourself time and money. Do not let your certification expire!

Babysitters' Training Course (\$55 per person)

Learn the information and skills necessary to provide safe and responsible care for children in the absence of parents or adult guardians. This course will help youth participants develop skills in leadership and professionalism, basic care, safety and safe play, and first aid. Participants must be between the ages of 11-15.

First Aid/CPR/AED for Professional Rescuers and Health Care Providers (\$55.00 per person)

Learn basic life-support emergency care, to include cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), and basic first aid care for heat/cold-related emergencies, allergic reactions, lacerations, etc at a Professional Level.

Wilderness and Remote First Aid (\$55.00 per person)

Provides a foundation of first aid principles and skills to be able to respond to emergencies and give care in areas that do not have immediate emergency medical services response. This includes wilderness and remote environments, including urban disasters, such as earthquakes and hurricanes.
