## **Overview**

The 2013 Spring Camporee is themed as “The Scouting Games” and will focus on teamwork, survival skills and archery. We have developed a program that fosters the concept of Patrol and Troop pride and team competition. The Camporee Staff will be continuously judging Scout spirit, sportsmanship, team cohesion, and unit morale. There are many ways to earn points throughout the weekend and a few ways to have points deducted from your team score. **May the odds be ever in your favor!**

## **Who May Attend**

All Boy Scouts, Venturers, and Scouters registered within the Transatlantic Council.

## **Dates and Location**

Dates: 19 to 21 April 2013

Address: Kranenpool 24, 6443 VA, Brunssum, The Netherlands

LAT/LONG: LAT 50.940253, LONG 6.001875

## **Cost**

Cost is 10 Euros per participant/adult. This covers camping fees, materials for the merit badges and an event patch.

## **Pre-Registration /Payment**

Please email Registration Forms (pp. 2 & 3) no later than 22 March 2013 and mail these filled out forms not later than 1 April 2013. Both emails and filled out forms will be sent to Mr. Joel Guest (contact info is located on Troop Registration Form). This will allow staff adequate time to put together a great program for the weekend.

Initial payment is due by 1 April 2013. Payment will be made in accordance to the Spring 2013 Camporee Troop Registration Form (p. 2). Make all checks payable to TAC-BSA. Please mail your checks with your Troops Registration Forms. Any adjustments to the payment of fees will take place during the registration process at the Camporee upon arrival. Ensure to indicate your unit number on all checks or money orders. TAC accounts will not be used for Camporee registration.

## **Registration/Payment at Camporee**

Upon arrival at Camporee, the SPL and Scoutmaster will report to the registration area inside the pavilion at “The Capitol”. They must have in their possession:

1. Permission Slip/ photo release for each Scout
2. Troop Roster
3. \$100 check for security deposit
4. Payment, if not already provided during pre-registration

## **Troops and Patrols**

Each Troop is encouraged to bring their Troop flag and have a cheer. During the “Parade of Units” the Troop is highly encouraged to somehow reflect the region from which they come. For example, Troop 100 is from Brunssum, NL which used to be a coal-mining community. They plan to parade as “miners”. Bring some costumes or props and have some fun with this.

Each Patrol should have a minimum of four and a maximum of eight Scouts. We encourage the patrols to be made up of Scouts of different ranks and for each patrol to have a flag and cheer.

Immediately following the Opening Ceremonies, Troops will compete in a Tug o’ War competition and a four man 400 meter relay. The relay team must consist of the oldest and youngest Scout in the Troop and two others chosen by the Troop. There will be points awarded for both events. **May the odds be ever in your favor!**

Each Troop is also expected to present a skit or song at the Campfire Program.

Each Troop may enter one dish, cooked in a Dutch oven, to an esteemed panel of judges at “The Capitol”. The entries will be graded on creativity, presentation, and of course, taste. **May the odds be ever in your favor!**

Troop campsites will be inspected throughout the Scout Games for general cleanliness. The campsites will also be judged in accordance with the Camporee Campsite Inspection Form (p. 9) and points will be awarded. **May the odds be ever in your favor!**

## **Activities**

In addition to the Scout Games competitions, activities will be centered on the Archery and Wilderness Survival Merit Badges. Troop will rotate through stations that will cover most of the requirements for both merit badges. It is recommended that Unit Leaders bring “blue cards” for their Scouts to start both.

Because the activities will fill most of the day on Saturday, Scouts should bring a lunch, water bottles and healthy snacks with them for the activities rotation. There is no designated lunch time and units should be prepared to eat during short breaks between events.

Equipment for Saturday Events:

Scout Field Uniform for Parade of Units, Opening Ceremony, and Campfire Program

Plenty of Water

Bag Lunch and Healthy snacks for Saturday

## **Important Notes**

The Camporee Site is a Sports Complex that is used frequently by many different groups. As such, the maintenance of the grounds for these activities is important and can be costly if the grounds are damaged. Troops must practice the “leave no trace” principles throughout the entire event.

Troop will be required to provide at check-in a check for \$100.00, as a security deposit. The check will be returned at the conclusion of the Camporee after a joint inspection of the unit’s campsite by the unit leadership and the Camporee Staff.

Troop must comply with the following specific requirements:

- Ground fires are strictly prohibited on the campgrounds.
- Each Troop must bring their own elevated fire pit to the campsite. If you need clarification on this, please email one of the Camporee Staff.
- Elevated fire pits are approved for use only on concrete sidewalks. Each Troop campsite will have a designated fire pit area. Failure to comply with this requirement will result in the forfeiture of the Troop’s security deposit.
- Vehicles are not allowed on the field. Be prepared to carry your equipment approximately 300 to 500 meters from the designated parking areas. Failure to comply with this requirement will result in the forfeiture of the Troop’s security deposit.
- Cutting live trees is not authorized.

Very little firewood is available at the site. It is recommended that you Troop brings firewood.

Unit leadership should have Parental Permission Slips and Medical Powers of Attorney for each Scout and Scouter. There will be trained first aid professionals on site. The military medical clinic at Geilenkirchen Air Base is not open on the weekends. Medical emergencies will have to be handled by local hospitals.

A water bucket or sand bucket is required in each campsite if the Troop has a fire pit. They must be clearly visible and within easy reach. The buckets are part of the Campsite Inspection Form (p. 9).

Scout Field Uniform for Parade of Units, Opening Ceremony, Scout’s Own Interfaith Service and Campfire Program. Any appropriate Scout activity uniform may be worn during other times. Please ensure no inappropriate T-shirts or military camouflage is worn by Scouts or Scouters.

There is a dumpster available for trash near the designated parking area.

Awards will go to the top three scoring Troops, the Best Campsite and Best Dutch Oven cooking competition. The Camp Director will act as head judge and will decide any scoring protests.
