# Intercamp

Intercamp is an international weekend Scout camp held every year. Scouts develop international understanding and friendship filled with activities, fellowship and memories.

Intercamp 2023 will take place 26 to 29 May in the Eifel National Park. We will be guests at the Vogelsang-IP site. <https://vogelsang-ip.de/en/>

The site was built during the Second World War and is used today as an international place for tolerance, diversity and peaceful coexistence—the same values shared at Intercamp.

Be sure to register now—before we invite other Scout contingents to sign up more Scouts.
